OPENING CREDITS

CUT TO: INT. APARTMENT

A lighter clinks. Cut to close-up of Deadpool smoking. He winds up a music box and places it on his desk. He presses the button starting the music box. "All Out Of Love" by Air Supply begins playing. Deadpool walks through his apartment. He knocks some cups over. He turns all of the dials on the oven on and breathes in the gas. He takes a Toaster Strudel out of a mini-oven and throws it across the room. He smokes again, then pulls down his mask. Cut to a shot of a number of pictures on the wall of the apartment. Cut to Deadpool laying down on some barrels of gasoline and continuing to smoke. He flicks his cigarette up into the air. It comes back down and lands in one of the barrels, causing them to explode. He is consumed in the explosion, and his limbs fly everywhere, with one hand flipping off the camera as it goes.

DEADPOOL: Fuck Wolverine. First, he rides my coattails with the R rating. Then the hairy motherfucker ups the ante by dying. What a dick. Well, guess what, Wolvie? I'm dying in this one, too.

CUT TO:

Cut to a shot of a city. "X Gon' Give

It to Ya" by DMX starts playing. The camera pans to Deadpool sitting on a rooftop as he narrates.

DEADPOOL: To understand why I took a cat-nap on 1,200 gallons of high-test fuel, I need to take you back to the dewy slopes of six weeks ago. I'd gone international, taking out mass murderers, gangsters, unspeakable monsters. People nobody would touch. Except me. I'm gonna touch them all over.

Cut to inside the building. A man at a bar gets a phone call. He answers it.

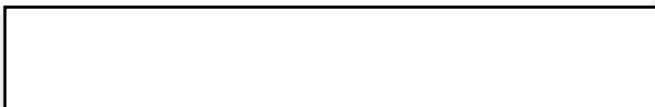

DEADPOOL: Hey, it's Gail calling. Love the shiny suit. Really brings out the sex trafficker in your eyes.

MAN: *(In Cantonese)* Whatever they're paying you, I'll double it.

DEADPOOL: I don't speak Cantonese, Mister...

Cut to Deadpool. He looks at a business card with some cantonese written on it.

DEADPOOL: Well, I'm not even gonna attempt that. But I did take 8th grade Spanish, so, *(in Spanish)* Where is the library? *(In English)* Which literally translates to, I don't bargain, pumpkin fucker.

Deadpool throws his phone away. He leaps off the building through the window of another building, kicking the man he was on the phone with. A number of men at a nearby table get up and point their guns at Deadpool. He begins counting them.

DEADPOOL: Uno, dos, tres, cuatro...

The men all shoot him. He jumps over the counter of the bar. He appears dead for a moment and the bartender begins to move. She jumps when he sits up, and he shushes her. He takes her cigarette from her and puts it out.

DEADPOOL: I'll take a cranberry-grapefruit vodka. I know it's called a Sea Breeze. Don't make me say it. Hit it, Dolly.

"9 to 5" by Dolly Parton begins playing. Deadpool jumps back over the counter and pulls out his sword. He takes the men by surprise, killing them one by one.

DEADPOOL: Taking the hands out of the guns of the criminals!

CUT TO

Cut to a funeral. Deadpool sits up from the coffin and fires at the men in the audience.

DEADPOOL: Whoo! Do not go in there!

CUT TO: INT. TOKYO

Deadpool sword fights with some men in a sauna, killing many of them. Some blood sprays in his eyes.

DEADPOOL: Oh, God! Oh, God, time out! Time out! Cut. Got bad guy blood, right in my open eye. Oh, that's so gross. Fuck.

He wipes his mask. He looks up to see he's using the towel of a man standing next to him.

DEADPOOL: Scoutmaster Kevin?

CUT TO: INT: BILOXI

The camera pans in on a party. A stripper is revealed to be Deadpool.

DEADPOOL: Too exotic?

De
on
up and begin firing at Deadpool.

He jumps down and begins killing them.

DEADPOOL: My world tour brought me home to this guy, Sergei Valishnikov.

CUT TO: INT GARAGE

Deadpool fights a number of men in a garage. Sergei runs away from the fighting. Chaos ensues as Deadpool continues to narrate.

DEADPOOL: But we'll get to him in a moment. 'Cause I know what you're thinking. "I'm so glad I left the kiddos at home." But that's where you'd be wrong. That babysitter of yours is high as fuck right now. And, believe it or not, Deadpool 2 is a family film. True story. And every good family film starts with a vicious murder. Bambi, The Lion King, Saw 7. Holy shit pickles! That guy's on fire. That's not CGI, folks. He's actually on fire. Yeah. You know I get paid to take out bad guys, right? But this guy? He was one of the worst of 'em.

Sergei seals himself in a room. Deadpool looks up from the carnage. Sergei watches a security camera from inside as one of his men screams at him.

MAN: Hurry up and open this fucking door, and let's kill this motherfucker!

Deadpool shoots the man, splattering his blood on the

car
pu
and reach the camera, and wipes

the blood off the camera.

DEADPOOL: Ugh. So gross. A
panic room? Really? Can you come
out?

*An alarm on Deadpool's watch
beeps.*

DEADPOOL: I really have to go. It's
my anniversary.

*A large group of men enters
behind Deadpool. He turns to
them.*

CUT TO: EXT. ALLEYWAY

*A man is heard talking on the
radio. Cut to inside a taxi in the
alley. Dopinder sits inside listening
to the radio.*

MAN: Over and over, I hear people
say, "I just don't have enough
confidence." Listen, confidence is
not something you have. It's
something you earn. It's
something you build over
time. A sense of confidence is

nothing but a sense of power
within yourself. A sense of
certainty that you can pull
something off.

*Deadpool runs to the taxi,
followed by the large group of
men, and leaps through the
window.*

DEADPOOL: Dopinder! Start the
fucking car!

*Dopinder screams and speeds
away. The taxi exits the alley as the
men stop chasing. Cut back into
the taxi.*

DEADPOOL: Whoo!

DOPINDER: Oh, I shit my pants.

DEADPOOL: Actually, that may
have been me.

DOPINDER: Oh, mission
accomplished?

DEADPOOL: Well, in a George W.
Sort of way. Fucker can't stay in a
panic room forever. Oh, you're
living the dreams, DP.

DEADPOOL: It has been quite the
run, Dopinder, and who'da
thought? Now I'm talked about in
the same sentence as Jesus.

Deadpool looks to the camera.

DEADPOOL: Passion of the Christ,
then me. At least domestically. We
beat them overseas, where there's
no such thing as religion.

sexy as it looks. I want to fill my-

Deadpool begins climbing into the front seat.

DEADPOOL: Pockets? What's your poison? A little, uh, cokey cokey? Can't maintain an erection without buying shoes online? I've never experienced that last one. Talk to me, Goose.

DOPINDER: I was going to say "soul." I want to fill my soul. I want to belong to something, like you, Pool, sir.

DEADPOOL: Dopinder...

DOPINDER: Hmm?

DEADPOOL: You never cease to surprise me. You know, the depth of your heart is extraordinary. We all need a sense of belonging. We all need a genuine sense of home. A place in this world.

DOPINDER: I want to become a contract killer.

DEADPOOL: I'm sorry. What did you say?

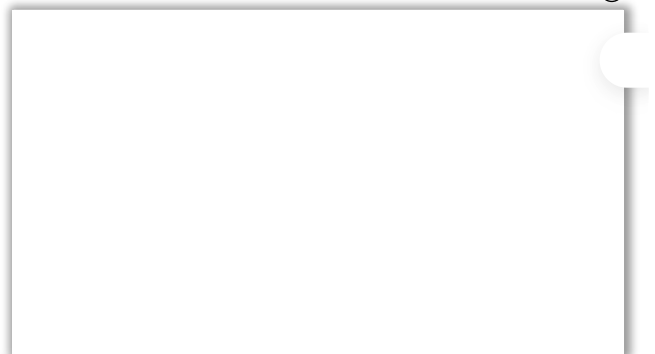

DOPINDER: Remember when I kidnapped Bandhu and threatened him with great violence?

DEADPOOL: You kind of killed him.

DOPINDER: And then remember the movie Interview with the Vampire?

DE

DC PINDER: When Tom Cruise re-

10-year-old Kirsten Dunst blood for the first time, and she looked up at his smooth, handsome face and said, "I want some more." Oh, Pool, picture me, a 10-year-old Kirsten Dunst.

DEADPOOL: I'll never not picture that. But I can't wait to never speak of this, as soon as possible. We're here.

Dopinder slams the brakes.
Deadpool gets out of the cab.

DOPINDER: You're my Tom Cruise!

DEADPOOL: And you're my Kristen Dunst! Kristen? Kirsten?

**CUT TO: INT. WADE'S
APARTMENT**

Wade enters his apartment.
Vanessa is sitting, waiting for him.

WADE: Sorry I'm late. There was a bunch of handicapped children stuck in a tree, and I had to, uh...

VANESSA: Uh-uh.

WADE: You're right. I was fighting a caped badass. But then we discovered his mom is named Martha, too.

VANESSA: No.

WADE: Traffic? Hmm?

Vanessa breaks into a smile.

VANESSA: Kiss me like you miss me

WADE: Yeah, come here.

Vanessa walks over and jumps into Wade's arms. They begin making out.

WADE: I'm gonna shower and get out of this suit.

VANESSA: Don't you want your surprise?

WADE: Do I look like a patient burn victim? I got one for you, too.

They toss each other presents.

WADE: Happy anniversary, baby. Open, open, open.

Vanessa opens the gift. It's a Skee-Ball token.

WADE: Skee-Ball token.

VANESSA: Our first date.

WADE: Yup. That's genuine, high-grade lead.

She kisses it.

VANESSA: I'll keep it forever. Thank you, baby.

They kiss.

VANESSA: Open yours.

WADE: All right, all right.

He opens his present. It's an IUD.

WADE: Oh... That's just the most beautiful thing that I've... I don't know

VANESSA: I'm not

WADE: A bomb?

VANESSA: No, dick for brains. My birth control device.

WADE: What, you mean that your...

VANESSA: Baby factory's open for business.

WADE: Oh, my God! Oh, my God! I want a boy! Or a little girl! Definitely one or the other! Oh! And I want our kid to have only one name. Like Cher or Todd.

VANESSA: You gotta pump a baby in me first, cowboy.

WADE: Yes, I do. Let's watch some porn and show that bed who's boss.

VANESSA: Let's do that.

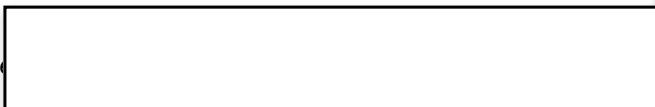

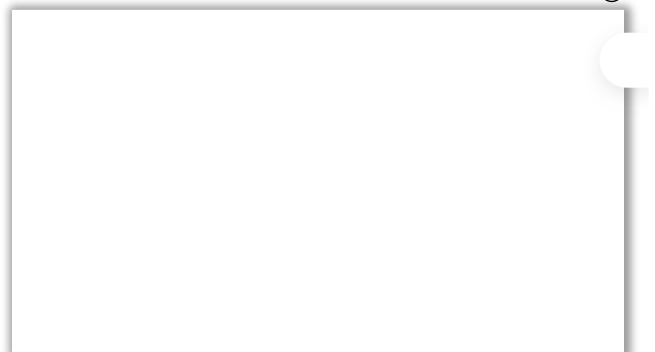

He whisks her off screen. Cut to a shot of their TV. They're watching Yentl. Cut to Wade and Vanessa cuddling on their couch.

WADE: Does this song sound familiar to you?

VANESSA: May. Connor, if it's a boy. May, if it's a girl.

WADE: So weird. Family was always an F-word to me. My pile of shit father took off and bailed. I mean, it's not like I have a lot of strong role models to draw off of for Todd.

She

VANESSA: Hey. Look at me. You are not your father. Besides, I will never, ever let our child be named Todd.

WADE: But here's the thing, isn't that how it always works? Like in Star Wars, men are destined to become their father, and then have consensual sex with their sister?

VANESSA: I think you missed big, big chunks of that movie.

WADE: No, I'm pretty sure Luke nailed her.

VANESSA: Baby, that's Empire. The point is, kids, they give us a chance to be better than we are. Better than we used to be.

WADE: You're a lot smarter than I look. I'm gonna go make dessert. You get the strap-on. Let's make a super baby.

He gets up from the couch.

VANESSA: Pretty sure it doesn't work that way, but we can try.

In the kitchen, Wade prepares some Toaster Strudels. Vanessa remains on the couch listing off baby names.

VANESSA: What about Krystal? But with a "K"? It's too stripper-y. Kevin with a "K"! No, too stripper-y, too.

Everything slows down. Wade turns towards the door.

VA
straight to jail. We name him Earl.

What about Bruce? No.

WADE: Get down.

VANESSA: What?

A shot is fired through the door. Wade picks up a frying pan. Some men enter. Vanessa jumps behind the couch. Wade quickly dispatches a series of men with objects from the kitchen as they try to shoot him.

WADE: Baby? Baby?

Vanessa gets up from behind the couch.

VANESSA: I'm okay.

WADE: Thank God I didn't have to use the cream cheese spreader.

Vanessa looks behind Wade in shock. Things return to slow motion. He turns, throwing the cream cheese spreader. Cut to Sergei in the doorway. Wade misses, and the cream cheese spreader gets lodged in the doorframe. Sergei fires a shot and hits Vanessa. Wade runs over to her. She begins to fall. Wade catches her before she hits the floor. Wade inaudibly mouths, "Please," repeatedly, then, "Baby, I'm so sorry," and finally, "No!" The microwave oven timer dings. Wade looks up. He jumps out of his window and lands near Sergei on a car in an alley. Wade begins to pursue Sergei. Sergei crosses a street and Wade is hit by a car.

from the street and begins running over. He headbutts Sergei's car window, throwing Sergei out the other side. Wade walks over, lifts Sergei up, and stares at him for a few moments. He then hugs Sergei, and after a few moments, pulls him into traffic, getting both of them crushed by a passing ambulance. The screen fades to black.

OPENING CREDITS

CUT TO: INT. BAR

Wade sits at Weasel's bar. He holds the skee ball token in his hand.

WADE: Papa, can you hear me? Is it just me, or does "Do You Want to Build a Snowman?" from *Frozen* sound suspiciously like "Papa, Can You Hear Me?" From *Yentl*? Papa, can you hear me? And nobody fucking realizes it.

WEASEL: Go home. You've been here for three days, okay? You smell like somebody shit in a Civil War wound after it had become gangrenous. They should've just amputated it. Why shit in it? Doesn't make any sense.

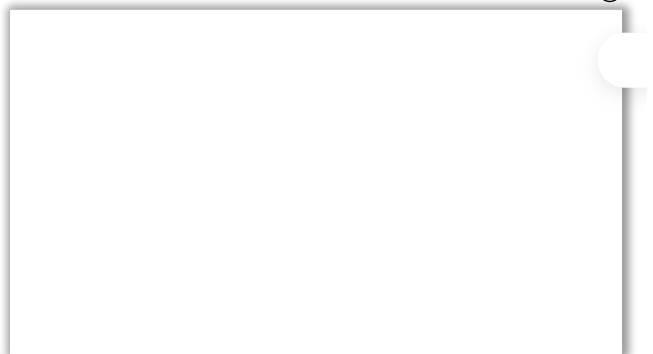

Dopinder passes by holding a mop.

DOPINDER: I love Frozen.

WADE: I loved her. I loved her like an ocean loves water.

WA

WADE: More importantly, I loved

her. I really liked her, you know?
George Michael was right. I'm
never gonna dance again. Fuck!
He's dead, too. At least we still
have Bowie.

*Weasel looks at Dopinder and
shakes his head.*

WEASEL: Yeah. We still have
Bowie.

Dopinder winks.

WEASEL: I'm sorry. Shot after shot,
it's not gonna change the fact that
I think you're, are you pissing? Are
you urinating right now? You're
making the face that you make
when you urinate.

*Cut to a shot of below the bar.
Wade is urinating heavily onto the
floor.*

WEASEL: Is he pissing?

DOPINDER: I'm on it!

*Dopinder begins mopping
beneath Wade.*

WEASEL: There you go, Dopinder.
If you want to be a contract killer,
you gotta handle a mop before
you handle a gun.

DOPINDER: Although I don't quite
understand how they are at all
similar.

WEASEL: Well, they both have
handles. Now, leave me.

Dopinder

Weasel goes home, Wade goes

Wade falls off of his stool. Buck catches him.

WADE: Fuck! Okay, I'm fine. I'm fine.

BUCK: You know what "fine" stands for, Wade? Fucked up, insecure, needy, and emotional. According to the...

WADE: Kubler-Ross.

BUCK: Yeah. According to the Kubler-Ross model, denial is just one of the five stages of grief.

WADE: Jesus Christ, Buck! No more speaking lines for you.

Wade walks away.

CUT TO: AL'S APARTMENT

Cut to Al walking in her kitchen with a teapot. She laughs while listening to the radio. Wade enters silently. He moves her couch and carpet out of the way and pulls out a floorboard, revealing a hidden stash of drugs and weapons. Al walks over from the kitchen. Wade quickly returns everything to the way it was. As Al sits down on her couch, Wade talks along with one of the lines from the radio show.

WADE: "I'm thinking it over!"

Al whips out a gun.

AL

WADE: I thought you saw me...
with your ears.

AL: You're lucky I didn't shoot you

WADE: The wall? The refrigerator?
I'm in so much pain.

He falls over on the floor.

AL: I heard the news, sweetie. I'm
very sorry. I am.

WADE: What am I gonna do, Al?

AL: Probably something terrible.
Knowing you.

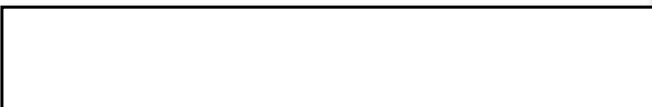

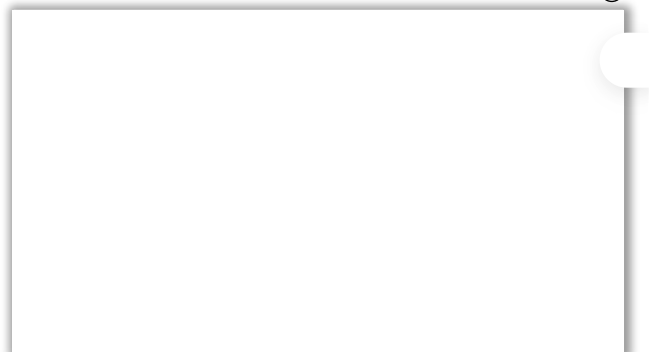

WADE: It was my fault. I fucking
did this. And all I wanna do is grab
her and see her and tell her that
I'm sorry, and I can't. She's gone.

AL: Sweetheart, can you speak up?
It's a little hard to hear you with
that pity dick in your mouth. Now,
look, sugar. You need to just keep
living.

WADE: Thank you, Matthew
McConaughey, your words are a
treasure.

AL: Listen to the pain. It's both
history teacher and fortune teller.
Pain teaches us who we are,
Wade. Sometimes, it's so bad, we
feel like we're dying. But we can't
really live till we've died a little,
can we? Wade? Wade?

Wa

WADE: I'm right here, Althea. And that is the most beautiful thing I've ever heard. You're absolutely right.

He slams his hand into his face, bursting open the bag of cocaine. He coughs and inhales some.

WADE: I'm about to do something terrible.

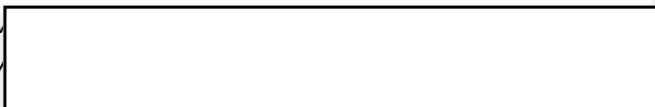

CUT TO: WADE'S APARTMENT

Deadpool sits on the barrels of oil in his apartment. "All Out Of Love" by Air Supply plays on the music box.

DEADPOOL: There. All caught up. You can't really live until you've died a little. Let's test that theory, shall we?

The same scene from before the credits plays out again, sped up. He flicks his cigarette up into the air. It comes back down and lands in one of the barrels, causing them to explode. He is consumed in the explosion, and his limbs fly everywhere, with one hand flipping off the camera as it goes. The screen cuts to black. We see flashes of Wade falling through a mysterious space, with visions of himself and Vanessa in the background. Wade swims downwards as quotes from conversations between him and Vanessa from this and the previous movie play. Cut to Wade in a hazy version of his apartment. Vanessa sits nearby. He tries to walk

VANESSA: Your heart's not in the
right place.

WADE: Wait. What do you mean
my heart's not in the right place?
What does it...

*Behind him, the microwave oven
begins rapidly ticking. He turns to
look at it, then back to Vanessa.
The timer dings. He is pulled from
the room and out through the
water. The screen cuts to black.
Cut to Colossus entering the
burned down remains of the

Hearts in the right place. What does

that mean?

COLOSSUS: You've been sleep for three days. I took the liberty of dressing you.

Colossus sits down nearby.

WADE: No shit. Why can't I fucking die?

COLOSSUS: Take your mask off, Wade. We must talk.

Wade takes off his mask.

COLOSSUS: You need fresh start. With training, you can be X-Man.

WADE: You're wasting your time, Shiny Jesus. I'm not X-Man material.

Cut to a full shot of the room. Negasonic Teenage Warhead and Yukio stand near the entrance.

NEGASONIC: Understatement of the year. Wade, Yukio. Yukio, Wade.

Yukio raises her hand to wave. Negasonic and Yukio's hands are interlocked.

WADE: What in the fuck knuckles is this?

NEGASONIC: She's my girlfriend, you intolerant shit.

WADE: Whoa! Pump the hate brakes, Fox & Friends. I'm just surprised anyone would date you.

Wade winks. Yukio smiles.

YUKIO: I like this guy.

NEGASONIC: Give him a chance.
It's great seeing you like this.

Cut to the couch. Wade is gone.

COLOSSUS: Wade? Wade!

*Cut to Wade. He's riding Professor
X's wheelchair through the
mansion.*

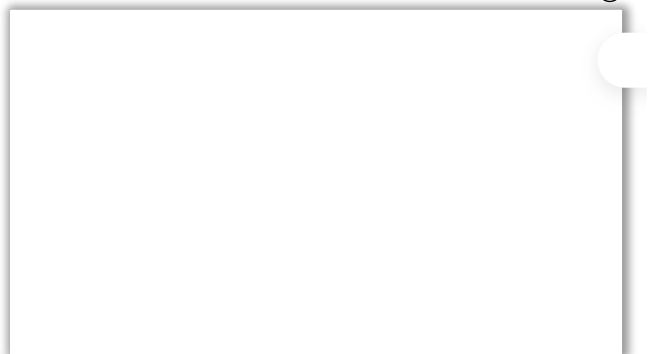

WADE: Don't try to chase me. I'm
not ready to be touched again. All
these elderly white men on the
walls, should have brought my
rape whistle.

*Wade passes by a statue and hits
the podium it's on, knocking it
over.*

WADE: Hi. Those were already
damaged after they fell there!

*Cut to Wade riding into the main
foyer*

WADE: What am I supposed to do

around here, anyway? Sit in a share circle, talk about my feelings? And how would I do that exactly?

Colossus enters behind him.

WADE: 'Cause where the fuck is everyone?

Wade begins spinning around in the wheelchair.

WADE: It's always just you and Negasonic Teenage Longest Name Ever...

COLOSSUS: Enough!

Colossus grabs Wade, stopping the chair. Wade gasps.

WADE: I said no touching!

Colossus throws him from the wheelchair. He gets up nearby.

WADE: What the fuck? You'd think the studio would throw us a bone. They can't just dust off one of the famous X-Men? How 'bout that putz with the giant pigeon wings? What do those do anyway, huh?

While Wade continues talking, we see a number of X-Men in the room next to him, with the door open. Beast closes the door.

WADE: Carry him three feet off the ground to snatch up the nearest muffin crumb? No, no, no! I am not X-Man material at all. First off, I'm not even a virgin. Second and

They show up! Not when
convenient or easy. When hard,
and you always make it hard. You

out bringing you here!

WADE: Wait. One of the assholes
who killed Vanessa got away.

Colossus lets Wade go.

WADE: Oh, Jesus Christ!

COLOSSUS: Wade, whoever they
are, we track them down and bring
them to justice.

WADE: It was me. I'm the asshole
who got away. I killed every last
one of them, except me. Couldn't
kill me. We were gonna start a
family. We were, uh... We were
gonna be a family.

COLOSSUS: Wade, Vanessa is
gone. She's not coming back. This
may not be family you want, but
it's family you need. You have a
good heart. It belongs here where
it can grow.

WADE: What did you say? About
my heart?

Wade hugs Colossus.

WADE: I think I'm in the right

Colossus tries to move his hand,

CUT TO: INT. CABLE'S HOUSE

Cut to a close up of Cable's face. His eye opens. The camera pulls back. He stands in the ruins of his house. In front of him lay the charred corpses of his wife and daughter, along with his daughter's burnt teddy bear. He leans down to inspect them. He picks up the teddy bear. Cut to him preparing to time travel. He searches through different times before choosing one. As he begins to transport, he screams.

CUT TO: INT. X-MANSION

Establishing shot of the X-Mansion. Cut to inside. Colossus enters the room with a jersey.

COLOSSUS: Wade. Wade!

Cut to Wade. He's hooked up to Cerebro.

WADE: Hey, I was just taking Cerebro for a spin here, looking deep into the future. Phew. This thing...

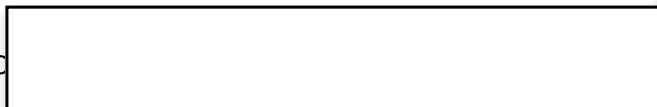

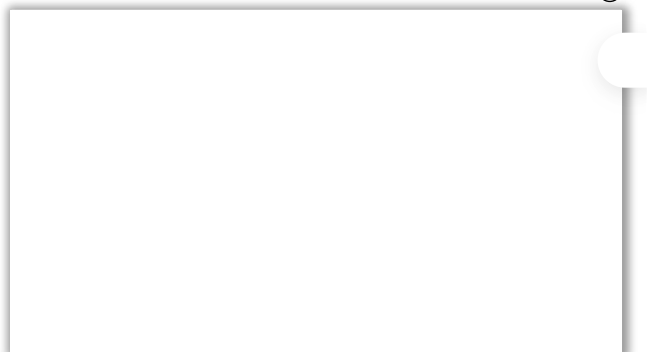

COLOSSUS & WADE: That's not how Cerebro works.

WADE: Yes. Yes, it is.

COLOSSUS & WADE: We have mission.

WADE: We do. You do. You guys be safe out there.

CO

WADE: No, you want me to join.
I'm sorry, what?

COLOSSUS: You are ready.

WADE: That's a terrible idea, and
it's gonna end badly. You wanna
know how I know? I'll give you a
hint. It's on my head and smells
like Patrick Stewart.

COLOSSUS: Be at the X-Jet in five.

*He throws the jersey on a nearby
chair and leaves. Wade
accidentally breaks the Cerebro
helmet and gets up.*

CUT TO: EXT. ORPHANAGE

*We see footage of the orphanage
from newsreel shot from a

surrounded by Police.*

IRENE: Irene Merryweather, WHIT

Cut to a shot of Irene.

IRENE: A mutant boy is appearing
to have some sort of an incident,

RUSSELL: Get away from me!

IRENE: There are two police

Daniel tries to approach Russell.

IRENE: There are open fires.

Daniel backs away.

IRENE: A scene of absolute chaos here.

RUSSELL: I'll burn you! You stay back! Get away from me! You wanna fucking die?

Cut to the X-Jet arriving. It lands near the scene.

IRENE: And it appears as if the X-Men are arriving-

Cut to a shot of Negasonic, Colossus, and Deadpool walking towards the scene.

DEADPOOL: Scatter!

Deadpool shoves some police out of the way as he jogs forwards.

DEADPOOL: Everyone, calm down! The pros are here. I... We're the X-Men! A dated metaphor for racism in the '60s. So, respect.

He holds up his fist to a nearby black officer. The officer tentatively raises his hand.

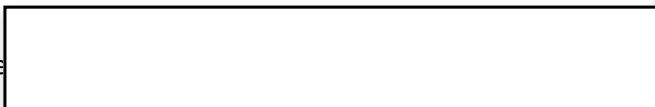

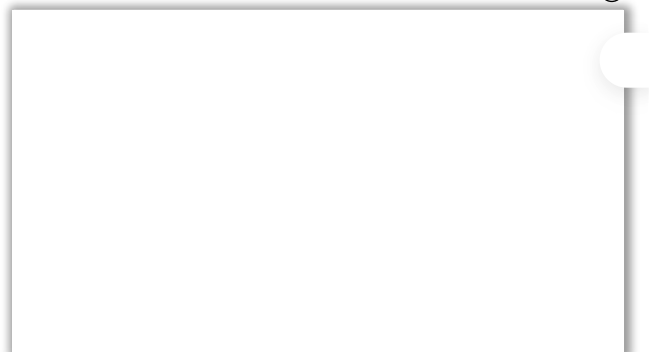

DEADPOOL: At ease, Officer.

Colossus spins Deadpool around.

COLOSSUS: What are you doing?

DEADPOOL: My job! You're the one who said I was ready, and I frankly disagreed with you. But here we are, trying to overcome our differences. Like Beyonce says,

OFFICER: Hey! This is the fifth incident. This kid needs to be in the Ice Box, not here.

DANIEL: Russell belongs in our care. Not in prison. I assure you, we have everything under control.

RUSSELL: I'll burn you!

Deadpool looks at the situation.

DEADPOOL: Not getting a real "under control" vibe here, Marty. It is Glen, isn't it?

DANIEL: Daniel.

DEADPOOL: I'll ask the questions. Let me talk to the kid. You stay here with your weird, secret sex lips.

RUSSELL: You wanna die?

DEADPOOL: This kid's adorable. I don't know why I packed the hollow points.

RUSSELL: I'll burn your balls off!

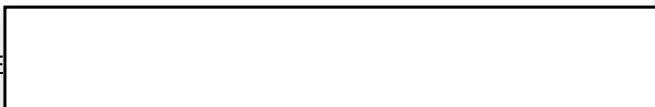

DEADPOOL: First day. I'm so nervous!

NEGASONIC: Did you just say "hollow points"?

DEADPOOL: Yeah, probably should've brought a Super Soaker.

Deadpool pokes his finger in Negasonic's ear. She swats him away. He laughs, then approaches Russell.

DE

RUSSELL: Stay back or Justin
Bieber dies!

Russell points at Negasonic.

DEADPOOL: Justin Bieber. He
called you Justin Bieber.

Russell prepares to attack.

DEADPOOL: Hold on! Wait, wait,
wait! Okay, let's not do whatever
that is. Okay? Let's just talk! It's
Russell, right?

RUSSELL: Firefist.

DEADPOOL: Firefist. Ooh, that's a
great name. Where does it burn?
Just the fist, or all the way up to
the elbow?

*Russell shoots a fireball at
Deadpool. Deadpool dodges and
it hits Negasonic, sending her
flying into a nearby truck.*

DEADPOOL: Definitely all the way
up to the elbow.

COLOSSUS: Come quietly, or there
will be trouble.

RUSSELL: You stole that from
Robocop!

DEADPOOL: That's from Robocop!
Just stand down, you're
embarrassing me. Look, Fire... Oh,
my God! I can't say it! I'm so sorry!

*Russell sends another fireball at
Deadpool, who dodges again. This
time Colossus is hit. He's sent
fly*

DEADPOOL: Oh, shut that fucking

does it.

Deadpool pulls out some guns and points them at Russell.

DEADPOOL: Put your hands behind your knees and get down on your head! Now!

COLOSSUS: Wade! What was first rule?

DEADPOOL: Label everything in the refrigerator!

COLOSSUS: Do not escalate!

DEADPOOL: Rules are meant to be broken!

COLOSSUS: That's the exact opposite of what they're meant for!

DEADPOOL: Fuck! Fine.

He puts the guns down.

DEADPOOL: I'll start from the beginning. My name is Deadpool, and I'm an X-Man.

NEGASONIC: Trainee!

DEADPOOL: Shut it!

Deadpool slowly approaches Russell.

DEADPOOL: Look, I get it. All right, you're scared. Alone. You got no family. I didn't have a family, either. You live in this dump. Guess what? I used to live in a shithole just

Russell turns to see the

headmaster descending down the steps of the building.

DEADPOOL: But you know something? To make matters worse... it's a confusing time in your life right now. Your body is going through some fiery changes. Too far? I went too far, didn't I?

Russell punches Deadpool into a nearby building. Inside, a young boy is eating cereal. Deadpool gets up.

DEADPOOL: That was effervescent.

Deadpool picks up the boy's cereal box and signs it.

DEADPOOL: Stay in school, kid. Or don't. I didn't. And I'm an X-Man.

Deadpool throws the box to the side.

KID: Trainee.

DEADPOOL: Fuck it!

He tears off his trainee jersey.

DEADPOOL: Superhero landing coming up!

He jumps out the window. Cut to the box of cereal, which he's signed as Ryan Reynolds. He lands outside.

DEADPOOL: Ah, fuck, fuck, fuck! That is so not practical.

DEADPOOL: I could get used to this X-Man shit.

NEGASONIC: Trainee!

DEADPOOL: Trainee!

OFFICER: Get a power restraint on him. Now!

DEADPOOL: Calm down, squirt. It's over. We got ya.

An officer puts a collar on Russell.

DEADPOOL: What's that do?

OFFICER: Power-dampening collar. Shuts down all mutant abilities. You can't get it off. Unless you've got a grenade.

DEADPOOL: Huh. Could've used one of those in the first act.

Cut to the headmaster, Daniel, and another orderly standing nearby.

HEADMASTER: Thank you. That was absolutely thrilling. True heroism in action. We are in your debt. We can take it from here.

RUSSELL: Take me to the Ice Box, please. Anywhere's better than here.

DEADPOOL: Believe me, son, you do not wanna go to the Ice Box.

The three men approach.

You just... You guys stay there.

Who? Baldilocks? Jared Kushner?
Both of 'em?

Russell nods.

DEADPOOL: Oh, fuck it. Four or

DANIEL: I'm sorry?

Deadpool stands up.

DEADPOOL: Four or five

DEADPOOL: People think you

DEADPOOL: But, no, being a hero

The headmaster checks his watch.

Deadpool pulls out a gun. He shoots Daniel in the forehead and tries to shoot the headmaster.

COLOSSUS: No!

Colossus tackles Deadpool.*

COLOSSUS: Wade, what did you do?

Colossus raises his fist to hit Deadpool.

NEGASONIC: Colossus, no!

DEADPOOL: That kid was abused!
You can tell. You can always tell!

COLOSSUS: We have rules! You are not judge, jury, or executioner!

DEADPOOL: Fuck your rules! I fight for what's right! And sometimes you gotta fight dirty!

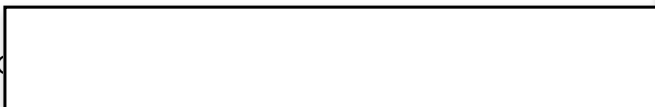

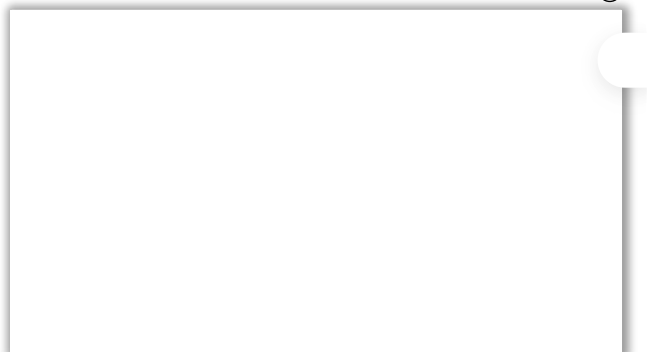

COLOSSUS: You let me down for the last time, Wade.

Colossus gets up. Russell watches as Deadpool is surrounded by officers and has a collar placed on him. The camera zooms out.

The camera pans over some rocks to reveal an armored truck entering a mountain. Cut to Wade and Russell entering the Ice Box side by side in prison uniforms. Some guards escort them. Other prisoners applaud as they pass by.

WADE: I wonder what gang I'll be in. Is there, like, a Sorting Hat?

Wade waves at a prisoner with "MUTANT" tattooed on his forehead. One of the guards pushes Wade.

GUARD: Go!

Nearby, Black Tom, Sluggo, and another mutant watch Wade and Russell.

GUARD: Hard left, douchebag.

Wade and Russell walk towards their cell.

WADE: Please, after you.

He gestures Russell past him.

WADE: Another disgusting mutant off the streets. God bless America. Let's get a taco.

Wade turns to leave. The guard tases him, and he falls to the floor of the cell.

GUARD: Nighty-night, you annoying prick.

The guard leaves and closes the door. Russell watches Wade on the ground in pain. As the camera pans away from their cell, Russell looks around the prison. The lights go off.

REDNECK 2: Toilet paper is a plenty fine appetizer. But, then... Huggies Natural Care wet wipes. That's your main course.

Cable appears nearby and begins approaching the truck.

REDNECK 2: They're soft, they're moist. They're for babies. Finally, one more pass with the toilet paper, maybe clear out that excess moisture. Maybe treat yourself to a blow and go, if you can get you a hair dryer. Just about 30 seconds will do you good.

Cable throws his gun in the back of the truck. Both rednecks get up and look at him.

REDNECK 2: The fuck?

REDNECK 1: What?

CABLE: What year is it?

WADE: Fuck superheroes.

RUSSELL: Fuck everyone. The first thing I wanna do when I get out of here, burn the headmaster alive, and then take a selfie with his smoldering corpse.

WADE: Who says prison isn't reformatory?

RUSSELL: Fucker hates mutants.

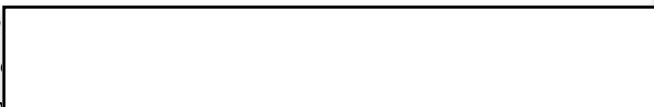

Cut to a flashback of the headmaster hugging Russell. He whispers in Russell's ear.

I can't protect you. With this collar on, my superpower is just unbridled cancer. Give me a bow and arrow, I'm basically Hawkeye. Now, if you'll excuse me, I've got tumors to grow. Vanessa awaits.

Russell walks to the bathroom.

RUSSELL: You're sick, I gotta protect you.

Russell and Wade look up.*

Black Tom, Sluggo, and another mutant walk over to the table.

TOM: Well, hello there, new fish.
It's nice to see some fresh faces around here.

WADE: I've done some light catalog work, but, really, modeling is just a stepping stone to acting.

TOM: I was talking to him.

WADE: Oh. Have we met? I can't place your mustache.

TOM: Black Tom Cassidy.

Tom takes the pen and stabs Wade's hand.

TOM: Kid, I think you picked the wrong side.

RUSSELL: No, I didn't! He's my friend!

WADE: Zip it. We're not friends.

Russell turns back to Sluggo.

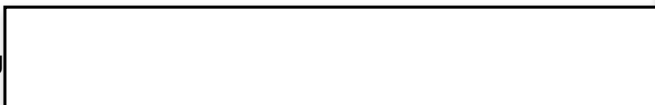

RUSSELL: You're about to get dick-slapped.

Sluggo punches Russell again, knocking him out. Tom slaps Wade with his food tray, sending him to the ground. Tom gets up on the table. Nearby inmates cheer as Sluggo and another mutant kick Wade. Cut to Russell and Wade in their cell.

WADE: Just let me die in peace.

WADE: Oh, my God, we're not a team.

RUSSELL: Why'd you say that back there? We're friends, partners.

WADE: We're not partners or friends. This doesn't end with us riding into the sunset. It ends with me dying of cancer, and you winning the Ice Box award for softest mouth. There's only one person in this world that I care about, and she's gone. You, you wanna survive? Stop trying to shank the biggest guys in here, and make friends with them. Make friends with someone. Anyone but me. Maybe even Black Tim. Black Evan, I don't know. All I remember is he was African-American.

Wade holds the skee ball token in his hand. Cut to two guards walking down a tunnel. Behind them, a wall explodes. Cable enters through the hole in the wall. Cut back to the cell. Some cell doors begin opening.

Cable's scan locates Wade and Russell's cell. Cut to the cell. Wade attempts to get out.

WADE: Door won't open!

Outside the cell, Cable approaches some guards.

GUARD: On your fucking knees!

Cable quickly dispatches the guards. More cell doors open, including Wade and Russell's. The run out. Cable shoots at the cell and it explodes. Wade and Russell are on some stairs nearby.

WADE: That was our cell.

Wade and Russell begin escaping.

WADE: What did I do to piss off a grumpy old fucker with a Winter Soldier arm?

Cable sees the pair on a walkway above him and begins firing.

Wade fights through other prisoners to clear a path while Cable dispatches more guards to catch up.

Cable jumps up in front of them.

Cable gets up and begins pursuing him. A guard corners Russell. Wade's collar appears to be malfunctioning. As Cable throws the guard away, Wade jumps down and pushes Cable to the ground level. Wade hits a table, cracking his collar off. Cable lays nearby, incapacitated. Russell watches the two. As Cable gets up, Russell begins running again. Cable fires at him some more. He changes the dial on his gun, causing it to fire a bigger shot, and sending Russell to the ground level. Cut back to Wade, who gets up.

WADE: Hello, superpowers.

Cut to Cable running towards Russell. As he gets close, Wade hits him with a metal pole. They begin fighting.

CABLE: Who are you?

Wade picks up Cable's gun and increases the dial. Cable shields himself.

WADE: Don't feel bad. Even I can't kill me. Talk! What kind of spineless shit stick tries to kill a 14-year-old boy? You might wanna start talking! 'Cause I got a long history of firing at times like this!

CABLE: The name's Cable. I'm from the future. Just walk away.

WADE: Oh! So, you're from the future. I have three questions then. One, is dubstep still a thing? Two, which Sharknado are we on? And three, at what point do audiences say, "Enough with the robotic arms?"

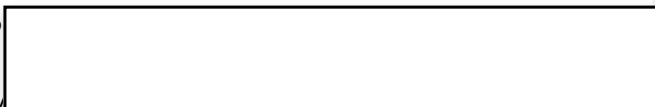

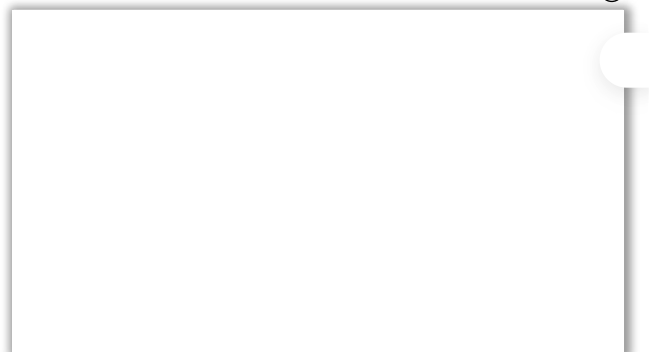

Cable pulls his gun back out of Wade's arms and fires at the ceiling, knocking down a large metal structure. Wade tackles Cable and tries to take the gun from him. It fires, sending them both back into the metal structure and blowing a hole in the wall. They get up and continue fighting, with Cable gaining the upper hand.

CABLE: Dubstep's for pussies.

WADE: You're so dark! Are you sure you're not from the DC universe? I love dubstep!

Dubstep plays as Deadpool grabs Cable. They both tumble out the hole in the wall. The fight for a moment. Cable gets the upper hand and the dubstep stops. The skee ball token falls nearby. Cable goes

WADE: It means I'm gonna save Russell. Maybe I couldn't save Vanessa, but maybe I can save a robust teenager from New Zealand.

WEASEL: Yeah, but what I mean is, like, the word "selfless." I literally don't know what that means.

WADE: Jesus Christ.

WEASEL: Okay, look. According to my guy, okay, those muties are being transferred to a supermax, 80 miles away.

WEASEL: Hold your testicles there, buddy, okay? We're talking about an armored convoy, and a vicious super soldier from the future that is looking to turn your skull into a fuckable ashtray.

DOPINDER: Yes, sir.

Dopinder walks away.

RUSSELL: Hello? I know you're in there.

Russell sets his food tray down and slides in under the door. He leans down and watches it. Someone inside the cell grabs it. Russell sits down.

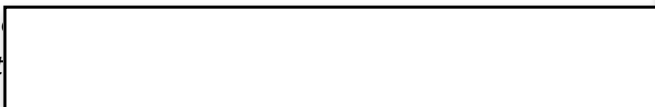

RUSSELL: Must be hard being the biggest guy in here. Lonely at the top, eh? They're moving us tomorrow. Maybe I can get you out of here. And we can make the whole world our bitch. We need a secret code.

Russell makes a bird call.

superhero, you!

PETER: X-Force!

DEADPOOL: X-Force.

*They both watch Zeitgeist
parachute into a woodchipper.*

DEADPOOL: Oh!

*Peter runs to Zeitgeist, almost
getting hit by a car. Zeitgeist's is
caught in the woodchipper.*

DEADPOOL: Peter.

PETER: I got you, buddy!

ZEITGEIST: This is not good, man!

PETER: You're gonna be fine!

DEADPOOL: You got this, big guy!
Here we go, Peter!

PETER: Look at me. We're X-Force,
right?

ZEITGEIST: Yeah, we're X-Force.

PETER: We're X-Force.

*Zeitgeist vomits all over Peter,
dis*

DEADPOOL: Oh, my God. What

the fuck? Fucking acidic vomit!

Zeitgeist screams as he's pulled into the woodchipper.

DEADPOOL: Oh, God! I'm gonna throw up in my mask.

Cut to a shot of the convo. Domino is still in the air, following it.

DOMINO: Okay, I'm over the convoy. Where did the rest of the team land?

Deadpool stands near Bedlam as some paramedics try to revive him. He begins walking.

DEADPOOL: Good news and bad news. Bad news is the whole team is dead. The good news is, I don't think anyone's gonna miss Shatterstar. He was a bit of a prick. Oh, but Paul!

DOMINO: Peter!

DEADPOOL: Peter, I'm gonna miss him most. But there is a slight chance Vanisher could make it.

Vanisher's flaming body falls from the power lines.

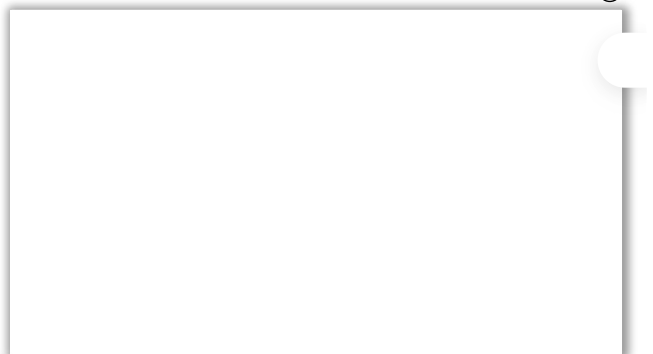

DEADPOOL: Nope, no chance. He's dead.

DOMINO: The whole team?

DEADPOOL: Only the main ones. We're still good.

DC

Deadpool steals a woman's

scooter and rides away.

DEADPOOL: Even after all this time, I still can't talk about it. Who knew these winds would be so strong?

DOMINO: Everyone. Everyone on the helicopter. And everyone not on the helicopter.

CUT TO: EXT. CONVOY

The convoy continues down the streets of the city. Cable watches from a nearby building. Cut back to Domino pursuing the convoy.

DOMINO: They're headed into the tunnel.

DEADPOOL: I'm that kid's only hope, so sit tight and wait for my word.

DOMINO: Whatever. We're gonna lose 'em. I'm dropping in.

DEADPOOL: Uh, that's a negative, sole survivor. Luck is not a superpower. We are so fucked!

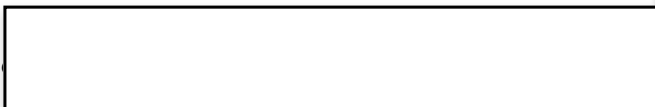

Domino lands in traffic and begins walking. Cars swerve past her.

DOMINO: No, we most certainly are not fucked.

One car swerves and hits a lamp post. The lamp post falls over.

DEADPOOL: Seriously, I don't get it! What, you shoot luck lasers out of your eyes?

Th
to swerve into a nearby gas

station.

DEADPOOL: It's just it's hard to picture. And certainly not very cinematic.

The explosion in the gas station causes a car to flip over Domino's head. The car provides a ramp for Domino to leap over a ledge and land through a roof of one of the convoy's trucks.

DEADPOOL: I mean, luck?

The driver pulls a gun on Domino, but it has no bullets.

DEADPOOL: What coked out, glass pipe-sucking freakshow comic book artist came up with that little chestnut?

Domino fights the driver.

DEADPOOL: Probably a guy who can't draw feet!

Cut to Cable jumping off a building and landing on a sidewalk. Cut back inside the truck, Domino dispatches the driver and takes control of the truck.

DEADPOOL: Once again, it all falls on my shoulders. It's why I'm cursed to be a solo act. Wander the Earth-

DOMINO: I'm in.

DEADPOOL: I'm sorry, what did you say?

DC

DEADPOOL: How in the fuck are you in already?

DOMINO: Oh, shit.

Cable approaches the truck from the front.

DOMINO: It's Cable. 12 o'clock.

DEADPOOL: Okay. New plan. Use all of your imaginary powers to stop Cable from killing that kid.

Deadpool turns a corner and comes up on the convoy.

DEADPOOL: I'm coming up on your six.

A broken window on the truck causes Cable to be blinded by a reflection of light and miss. The shot heads under the truck, breaking the brake fluid line and hitting the truck behind the one Domino is driving. Deadpool rides past the exploding truck.

DEADPOOL: That gun is amazing!

Cable jumps from one car onto the roof of the convoy.

DOMINO: Where is he? I can't see him.

DEADPOOL: He's on top of you.

Cable rips the door off of the back of the truck.

DEADPOOL: He's going in through the back!

Ca

DEADPOOL: Oh, God, he's inside!

DOMINO: You hear yourself, right?

DEADPOOL: Accidental double entendres!

CABLE: Russell! Russell Collins!

DEADPOOL: Hands off that kid, John Connor!

Deadpool fires at Cable. Russell looks nervous. Cable begins dislodging cells from the convoy.

MUTANT: No, no, no!

DOMINO: Shit!

Domino fires backwards. One of the bullets ricochets and dislodges a gas canister. Cable prepares a grenade. Domino shoots the gas canister and it flies off, hitting Cable. He is thrown backwards and drops the grenade, which explodes. The back half of the convoy is ripped away. Cable leaps from the wreckage back onto the truck.

DEADPOOL: Two can play that game!

Deadpool crashes his scooter into a taxi, sending him flying towards the convoy, which he narrowly misses.

DEADPOOL: Got it! No, I don't. Showtime, mama!

DOMINO: Lady Luck, take the wh

Domino gets up from the drivers

seat. The truck careens right.
Domino walks through the truck,
firing at Cable, and passes Russell.
She runs out of bullets and picks
up another gun. She and Cable
begin fighting in close quarters.
Russell pulls out his pen. Cut to
Deadpool. He gets up from the
road and is hit by a car. He takes
out the windshield. The guard
inside shoots Deadpool through
the hand. Deadpool puts the gun
through the bullet hole and turns it
back on the guard, shooting him in
the face. He then stabs his sword
through the car, pinning the
guard's foot to the pedal. Looking
backwards through his legs, he
steers the car. Cut back inside the
truck, Cable gets the upper hand.

CABLE: I'd ask who you are, but
you'll be dead in a second.

DOMINO: I'm Domino, and
doubtful.

Domino escapes his grasp and
they begin fighting again. Russell
begins using his pen to attempt to
break out.

DEADPOOL: Hang in there, Doms!
Oh, this is really hard.

Deadpool approaches the truck.
As Cable goes to shoot Domino,
Deadpool flies inside, coming to
her rescue.

DEADPOOL: And give me back my
Skee-Ball token.

He shoots at Cable and then kicks
him

DOMINO: You're doing great.

DEADPOOL: X-Force.

They both get up. Domino returns to the driver's seat. Deadpool turns to Cable.

CABLE: I guess dubstep never dies.

"Bangarang" by Skrillex begins playing as the two fight.

DOMINO: Whoo!

Black Tom watches the fight from his cell and laughs. Cable accidentally shoots him in the face. The music stops.

DEADPOOL: You killed Black Tom, you racist son of a bitch!

Cable knocks Deadpool over. Cut to Domino, who attempts to press the brake..

DOMINO: That's unfortunate. We got no brakes!

Cut back to Cable and Deadpool fighting.

DEADPOOL: Figure it out!

CABLE: There's nothing I can't kill.

DEADPOOL: Ooh. Somebody knows karate.

Deadpool pulls out his swords. Cable pulls out a gun.

DEADPOOL: Give me your best shot

Cable fires. Deadpool cuts the

bullet in half. Cable fires a dozen more times, some of which hit Deadpool.

DEADPOOL: Ow. Here we go.

Deadpool charges Cable. Russell continues attempting to break out.

DEADPOOL: Domino, mind slowing us down?

DOMINO: Here goes nothing.

She steers the truck through a building. Cable and Deadpool keep fighting hand-to-hand. The truck comes out the other side of the building and goes across a street through another. Russell manages to get his cell door open. Cable and Deadpool continue fighting. Russell finds the maximum security prisoner.

PRISONER: Knock, knock.

The truck slows down as it reaches a bridge. Russell releases the maximum security prisoner.

PRISONER: That's my boy.

Cable and Deadpool continue fighting. Russell runs towards them. They turn to see the prisoner exit his cell.

DEADPOOL: Holy...

The prisoner punches the ground and sees the entire truck flying and the bridge crumbling. "Only Time" by Enya begins playing as the

DEADPOOL: I'll be first to admit,
this did not go according to plan.
I'll also be the first to admit that
that plan was written in crayon.

*Still in slow motion, Cable picks up
Deadpool's dropped gun and fires
at Russell. The prisoner pulls
Russell out of the way.*

DEADPOOL: Looks like Russell
found a new friend. Jelly.

*Domino falls out of the truck and
onto a large inflatable panda.*

DEADPOOL: Turns out Domino's a
bit of a badass, and maybe,
possibly mildly lucky. But Cable?
Ugh. That guy's in a mood. A
mood that is about to get
significantly worse.

*As Deadpool falls, his crotch rubs
against Cable's face. Things return
to real time. The truck crashes to
the ground. Domino gets up,
unscathed. Deadpool gets up, his
head having been twisted
backwards.*

DEADPOOL: Something is so
terribly, terribly wrong. Oh.

He snaps his head back into place.

DEADPOOL: Oh, God, that hurt.

Deadpool falls off the truck.

DEADPOOL: Russell. Russell! Russ,

Behind Russell, the prisoner gets up, revealed to be Juggernaut.

DEADPOOL: Oh, my God!
Juggernaut! I thought that was you! I should've worn my white pants. You probably get this a lot, but I am a huge fan.

Domino arrives, assesses the scene, and leaves.

DEADPOOL: Uncanny X-Men 183.
Thor 411. X-Men Unlimited 12.

Juggernaut charges Deadpool.

DEADPOOL: You know, it has always been a dream of mine to see my face reflected in your helmet as you charge at me with murderous intent. I don't mean right now.

Juggernaut lifts Deadpool into the air.

JUGGERNAUT: I'm gonna rip you in half now.

DEADPOOL: That is such a Juggernaut thing to say.

Juggernaut rips Deadpool in half and throws him to the ground. Deadpool screams.

DEADPOOL: Oh, my God! Oh, my God! I can't feel my legs. I can't feel... Oh, no, they're right here.

He reaches for his legs.

DE

RUSSELL: I have a mission. To get my revenge. I'm going to burn that headmaster alive.

DEADPOOL: You're not the revenge type. Take it from a friend.

RUSSELL: Friend? You were sick, and I protected you. You said it yourself. "I'm not your friend. Find someone stronger." So I did.

Russell and Juggernaut begin to leave.

DEADPOOL: Russell, I couldn't protect you back then. But I can now. What do you want me to say, huh? "I care about you"? 'Cause goddamn it, I care about you, Russell. What's Juggernaut got that I don't have? Don't you say legs! I know you're gonna say legs!

Russell mimics legs with his fingers and then flips Deadpool off.

RUSSELL: Legs!

DEADPOOL: Still hurts to hear out loud!

Russell mimes pulling himself away with a rope.

DEADPOOL: What is that? That's not a real rope! You get back here, young man!

Domino approaches Deadpool.

DEADPOOL: Doms! Doms, get me out of here, please. Use my arms as backpack straps.

Cu
on her back.

DEADPOOL: I think we may have found your cosmic reason for being here.

DOMINO: I'm pretty sure this isn't it.

DEADPOOL: X-Force.

Nearby, Cable struggles to get up.

AL: No child is hopeless.

CUT TO: INT. AL'S HOUSE

Wade and Al sit on her couch.

AL: Don't give up on the boy.

WADE: Yeah, but how could he just walk away? It was the coldness in his eyes. You should've heard it. I guess family really is an F-word. Rub my legs, Mama.

AL: Why would I rub your legs?

WADE: Please, they hurt. I have growing pains.

Al reaches over for Wade's legs.

AL: What in the... Why is your hand so tiny again?

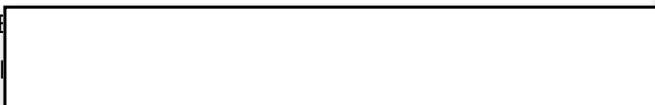

WADE: That's not my hand.

AL: Oh! Mary, mother of Joseph!

DEADPOOL: That was nice for me.

Weasel enters.

Weasel gasps and gags upon seeing Wade.

WEASEL: Why wouldn't you cover that up?

Cut to a full shot of the couch. Wade's legs are child-sized and his crotch is exposed.

WADE: A warrior has nothing to be ashamed of.

WEASEL: Yeah, but you do. I mean, look at you. You're just straight shirt-cocking it, toddler-style.

WADE: Oh, yeah. Full Winnie the Pooh.

AL: The hell's happening? Describe it.

WADE: I wouldn't ask him to do that, if I were you.

WEASEL: It's like, um...

WADE: Here we go.

WEASEL: It's like he was giving birth anally, but they quit halfway through. They got the legs out, and they said, "You know what, I'm done."

WADE: Happy?

WEASEL: It's like he's a Muppet from the waist down. But this time, you can see the Muppet's dick. Grover's got a cock the size of a twig.

DOPINDER: Mr. Weasel, I can no longer be double-parked. I've had three tickets already-

Dopinder sees Wade.

DOPINDER: No, no, no, DP, not again!

WEASEL: This has happened before?

Dopinder gags.

WEASEL: Jesus! Either vomit or don't. The indecision is killing me.

AL: Why couldn't God take my hearing?

Domino enters.

DOMINO: Oh. Wow!

WADE: Cool your pits. They're growing back.

DOMINO: I'm talking about your face. I've never seen you without your mask before. Jesus Christ!

WEASEL: Looks like an avocado.

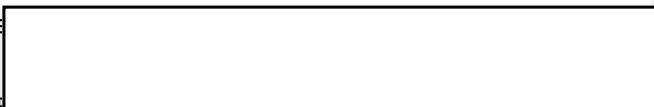

DOMINO: Your legs, though, they're cute. You wanna borrow a pair of pants?

She throws a glove over his crotch.

WADE: I'm glad everybody dropped by. You must be wondering why I didn't call you here.

after him without me.

WADE: No! I'm doing this alone.
The Juggernaut will kill you all.

Weasel holsters his gun.

WEASEL: Fair enough.

WADE: I just need a couple of
hours to get some legs under me.

DOPINDER: What will you do?

WADE: I don't care what the kid
did to me. I ain't letting Cable get
to him, even if I have to teabag
him to death.

DOMINO: It's really just a sip of tea
at this point.

WADE: Zip it, black Black Widow!
I'm flowing. The first order of
business is to get me in front of
Cable so I can pull all the fucking
blood out of his body and fashion
his bones into holiday jewelry.
Then, I'm gonna take his skin and
stretch it out over a homemade
mating drum. He's standing right

CABLE: I'm here to proposition

WADE: Oh, boy! He's really teeing

WEASEL: Who gets to make the

DOMINO: I think we should all do
it at the same time.

They all put their guns away.

WEASEL: Good call.

CABLE: I need your help! And trust me, I'm even less happy about this than you are. But you unleashed the Juggernaut, you dumb cunt. I can't bring him down alone. So here we are.

WADE: Well, we're no longer accepting applications for X-Force, unfortunately. Even if we were, there's a wind advisory in effect until at least-

CABLE: We don't have a lot of time. Your friend's about to make his first kill.

WADE: No offense, but if you know so much, why not travel back to when he was a baby, kill him then? Or better yet, head back a little further, kill baby Hitler.

CABLE: I use a device to slide through time. The longer I travel, the harder it is to control. I got two charges: one to get me here, one to get me home.

WADE: Well. That's just lazy writing.

CABLE: Your boy's gonna kill the headmaster of the orphanage tonight. After that, he gets a real taste for it.

DOPINDER: Like 10-year-old Kirsten Dunst, motherfucker!

Cable begins approaching Wade.

CABLE: Relax. I'm retrieving

WEASEL: It's a goddamn fanny

night and day.

begins applying it to his lips.*

CABLE: You remind me of my wife.

WADE: I'm sorry?

CABLE: I said, "You remind me of
my wife."

WADE: No, I'm sorry that you said
that while making heavy eye
contact and applying lip balm.

CABLE: She always struggled. But
she was funny, and filtered her
pain through the prism of humor.
Something I could never master. It
was my fault she died. It was my
job to stop people like him.

*A flashback begins as Cable
continues to talk. Cut to a record

The older russel incinerates the apartment, killing Cable's family.

RUSSELL: Blessed are the wicked who are healed by my hand.

Cut to Cable discovering the bodies and the burnt teddy bear.

CABLE: He came into my home and took the only thing that made it a home. Sound familiar?

WADE: I'm sorry.

Cable grunts.

WADE: No, I'm really sorry. But that isn't Russell. It doesn't have to be him.

CABLE: If you knew what I knew-

WADE: Yeah, he's got anger issues. Maybe a small learning disability, splash of diabetes, but nothing that can't be fixed. Nothing that-

CABLE: If you could go back and stop the people that took your girl, would you?

WADE: Of course I fucking would! But I wouldn't kill a kid.

CABLE: I'm not asking you to kill a kid! I'll kill the kid. I'm asking you to save hundreds of other kids. Russell's gonna burn down that orphanage. And I can imagine your dead girlfriend would want you to do the right thing, wouldn't she? So, what's it gonna be, handsome?

WADE: You said once he kills someone, he gets a taste for it. If we can get to him before that happens, promise you'll give me a chance to put him on a different path.

WADE: I don't know. How long does it take to save someone's soul? That's not-

CABLE: I'll give you 30 seconds.

WADE: That- What? No!

CABLE: Best I can do. Take it or leave it.

Wade carefully gets off the couch.

WEASEL: He's doing it! Look at the little fella. He's doing it.

Dopinder gags.

WEASEL: There he goes.

CABLE: Jesus Christ.

WEASEL: Just shirt-cocking it.

CABLE: Ugh.

Wade slowly makes his way over to Cable.

We need backup.

Dopinder reaches for the button.

Deadpool stops him.

DEADPOOL: You'll do no such thing. Why don't you just say it in an Indian accent?

CABLE: What the hell are you-

DEADPOOL: Once again, intolerance rears its ugly head. I am so sorry. It gets better.

Deadpool strokes Dopinder's face.

CABLE: I'm not a fucking racist, moron!

DEADPOOL: Tell that to Black Tom. He was like a brother to me.

Deadpool does the sign of the cross.

DOMINO: I'm with the old white guy on this one. And that's a twist.

DEADPOOL: So what exactly do you do in the future, anyway, huh? Some kind of soldier?

CABLE: Yeah, something like that.

DEADPOOL: I was a soldier. Special Forces. I bet 50 years from now, we're bestest buddies.

CABLE: 50 years from now, you're very dead. Your entire generation fucked this planet into a coma.

DEADPOOL: Boom! Spoiler alert. Haha. Planets.

DOMINO: Next time, Uber.

You're not a fucking moron, you're

DEADPOOL: Well, I got news for
you. My heart is in the right place.
Russell's not gonna kill anyone.
Because of me, he's gonna know
what real love looks like.

CABLE: Because of you, I'll always
know what a grown man with
baby balls looks like.

DEADPOOL: I'm a grower, not a

DOMINO: I should've finished
college.

DEADPOOL: Right here!

CUT TO: EXT. ORPHANAGE

Juggernaut and Russell approach the orphanage.

RUSSELL: So you wear that helmet because your brother tries to read your mind?

JUGGERNAUT: Yeah, but he's in a wheelchair, so even-steven.

Cut to inside the orphanage.

ORDERLY: Someone's coming. It's Russell, sir. He's not alone.

HEADMASTER: Secure the children.

The headmaster walks away. Cut back outside. Russell puts on sunglasses.

RUSSELL: What do you say we go fuck some shit up?

JUGGERNAUT: "Let's fuck some shit up" is my legal middle name.

They ascend the steps to the front door.

RUSSELL: Watch my back. I've got the old man.

JUGGERNAUT: Amen, brother.

Cut to the taxi squealing up to the gates of the orphanage. Deadpool, Domino, and Cable get out.

DEADPOOL: Time to make the chimichangas.

CA

DOMINO: I finally know why I'm here. I was raised in this place. Well, not raised. I was tortured.

DEADPOOL: Wow! It's your cosmic reason for being here. Shall we?

DOMINO: This is gonna be fun.

DEADPOOL: Yeah!

The trio stands before the gates together.

DEADPOOL: Hey! Been meaning to ask you, what's with the creepy, dirty hobo bear?

CABLE: It's not dirt. It's the blood of my dead daughter.

DEADPOOL: I have a gluten sensitivity. So one glass of wine, I just...

Deadpool imitates an explosion with his hands.

DEADPOOL: Yeah. Wish we could head back in time, and I could take all that back. We should just cue the music.

"Welcome to the Party" by Diplo featuring French Montana, Lil Pump, and Zhavia Ward begins playing. The trio runs toward the orphanage. Deadpool notices Dopinder running with them. Cut to inside. The headmaster opens the door.

DEADPOOL: That's why.

Russell runs inside.

DEADPOOL: Zip it, Thanos! We have a deal and you fuck-

Cable shoves his hand in Deadpool's face.

JUGGERNAUT: Hey.

They turn their attention back to Juggernaut.

JUGGERNAUT: I'm gonna shove that cab driver right up your ass.

DOPINDER: My body and my hands are so soft.

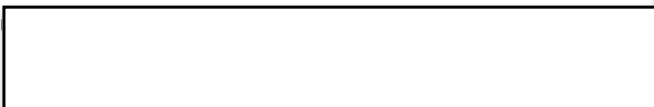

DEADPOOL: You should probably head back to the car.

DOPINDER: I think I'll head back to the car.

Dopinder runs away. Juggernaut begins approaching them.

DEADPOOL: It works best when you

Cable shoots Juggernaut at point

DEADPOOL: That gun is amazing!

Cut back inside. Russell chases down the headmaster, burning the building as he walks.

RUSSELL: Say it!

HEADMASTER: You are an abomination!

Russell throws a fireball. The headmaster gets thrown back, but gets back up and keeps running. Cut back outside. Cable, Domino, and Deadpool all shoot Juggernaut as he approaches.

JUGGERNAUT: Now, I'm gonna shove the red guy up the old guy.

DEADPOOL: I believe him! Every man for themselves!

Deadpool runs. Cable turns the dial on his gun all the way up. Juggernaut grabs the gun before he can fire. All three heroes attack Juggernaut in close-quarters.

DEADPOOL: Gotcha!

Deadpool hops on Juggernaut's back.

JUGGERNAUT: Beat it, midget.

Juggernaut kicks Cable into a nearby car. Deadpool attempts to screw off Juggernaut's helmet.

Juggernaut grabs Deadpool's leg.

DEADPOOL: Ah, shit fuck.

Juggernaut whips Deadpool around and impales his head on a fence. He adjusts his helmet and picks Deadpool back up, throwing him some distance. Cable struggles to get up. Domino continues to shoot Juggernaut, narrowly avoiding his attempts to grab her.

JUGGERNAUT: Come here, beautiful.

Cut back in the building. Russell continues chasing the headmaster.

RUSSELL: Say it!

Russell throws another fireball, blowing out a series of windows. Cut back to Deadpool, whose impalement has left him dizzy. He sees Cable and Domino laying on the ground nearby. "In Your Eyes" by Peter Gabriel begins playing as Colossus stands over him. Deadpool reaches out. Colossus picks him up. In the background, Domino and Cable continue fighting Juggernaut. COLOSSUS: I'm not giving up on you, and you are not giving up on the

COLOSSUS: It's time to fight dirty.

DEADPOOL: Time to sweep the leg, Johnny.

COLOSSUS: Hey! Pick on someone your own size!

Deadpool slaps Colossus's ass as he charges Juggernaut.

DEADPOOL: That's such a you thing to say! Go get him, tiger! Big CGI fight coming up!

"Welcome to the Party" by Diplo featuring French Montana, Lil Pump, and Zhavia Ward begins playing again as Colossus and Juggernaut begin fighting. Cut to the headmaster running into another building. He gets up on a stage and grabs a tool. Back outside, Juggernaut rips off his sleeves and beats Colossus. Deadpool, Domino, and Cable stand nearby.

DEADPOOL: He's doing great.

RUSSEL: Say it!

The trio looks over to where Russell is. Russell throws a fireball at the doors of the building the headmaster is hiding in, blowing the doors away.

CABLE: Russell.

the fight between Colossus and

Juggernaut. Juggernaut throws Colossus. Colossus picks up a piece of metal and bends it around his fist. He stabs Juggernaut in the eye with it, and then punches him in the crotch. He pulls Juggernaut's legs out from under him.

COLOSSUS: That's right! I'm fighting dirty!

Cable and Deadpool are blocked by a dozen armed orderlies. In the background, Domino enters the burning orphanage.

DEADPOOL: Oh, great.

ORDERLY: There they are! Those freaks!

DEADPOOL: A bunch of armed pedophiles in nursing shoes. Can I have one of those guns?

CABLE: No.

DEADPOOL: That's fine.

ORDERLY: Get off this property, mutant scum!

DEADPOOL: I'm just gonna use this brick.

The orderlies charge Cable and Deadpool.

DEADPOOL: Maximum effort.

They all begin fighting. Deadpool hits one with a brick while Cable shoots some. Cut inside the

DOMINO: Who says you can't go home again?

Domino fights the orderlies guarding the children. Cut back to Cable and Deadpool fighting orderlies, and then back to Domino. She kicks one in the crotch. The children cheer. Cut back to Russell confronting the headmaster.

RUSSELL: Say it. Say what you said every time you tortured me! Say it! Blessed are the wicked who are healed by my hand!

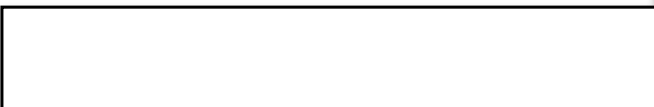

HEADMASTER: Blessed are the wicked who are healed by my hand.

Cut to Domino continuing to fight the orderlies. She causes one to trip and break his neck on a bed frame. As he falls, he kicks something that trips another orderly, causing that one to accidentally stab himself in the throat. Another orderly becomes pinned down under some metal objects. Cut back outside to Juggernaut and Colossus's fight. Juggernaut picks up Colossus. Colossus breaks one of Juggernaut's fingers.

JUGGERNAUT: You commie motherfucker!

Juggernaut punches Colossus. Cut back inside to Domino. A shelf falls and decapitates the orderly who was pinned down. The children cheer for Domino. Back outside,

Colossus and Juggernaut are beating him for a few seconds,

and throwing him into a bus. Cut back to Cable and Deadpool, who finish dispatching the orderlies outside.

DEADPOOL: Oh, my God. Did you feel that, too?

Deadpool and Cable simultaneously shoot the last two orderlies.

DEADPOOL: Only best buddies execute pedophiles together.

They run off to stop Russell. Back inside, Domino gathers the children, who are trapped in the room by flames. Cut back outside to Cable and Deadpool.

CABLE: You got 30 seconds, you jabbering butt plug.

DEADPOOL: Now we're getting it.

Cut to Juggernaut picking up the bus. Colossus says something in Russian before Juggernaut hits him with the entire bus. Cut to Domino.

DOMINO: I need a bus to get you all out of here.

The bus crashes through a wall nearby. Domino gestures towards it.

DOMINO: Orphans.

She opens the back door of the bus and sends the kids through.

DC

The kids begin escaping through

the bus. Cut to Russell confronting the headmaster.

RUSSELL: It's time to burn for what you've done!

HEADMASTER: A child should not be burdened with such power!

Russell prepares to kill the headmaster. Deadpool and Cable burst in and stand between the two.

DEADPOOL: Russell! Wait!

Russell throws a fireball. Cable blocks it, and sends it through the roof. Outside, the X-Jet arrives. Deadpool and Cable dodge debris from the roof. The headmaster escapes. Cable pulls out a gun.

DEADPOOL: Wait! He hasn't killed anyone yet

CABLE: What more do you need to see?

DEADPOOL: Don't you fucking dare! He's just a kid!

CABLE: Tick, tock. Meter's running!

Cable holsters his gun. Cut back outside. Negasonic Teenage Warhead and Yukio run from the X-Jet. Juggernaut throws Colossus around.

JUGGERNAUT: I'm gonna melt you down and make a cock ring.

Colossus attempts to grab a new leg. He lifts his leg together with some

electrified chains. He drops Colossus, who tears Juggernaut's pants while falling. In slow motion, Negasonic begins charging her power, and Colossus sticks the exposed wire up Juggernaut's exposed ass. Negasonic sends him flying into some water nearby. Cut back to Russell, Deadpool, and Cable.

RUSSELL: I told you! Leave me alone!

CABLE: Come on!

DEADPOOL: Listen to me!

Russell attacks Cable. Cable charges him with his shield and throws Russell to the floor. Russell burns Cable's arm. Deadpool grabs Cable as Russell sends them both flying through the wall, landing in the playground outside. Cut to Yukio, Negasonic, and Colossus looking at Juggernaut.

COLOSSUS: That's how we do in Mother Russia.

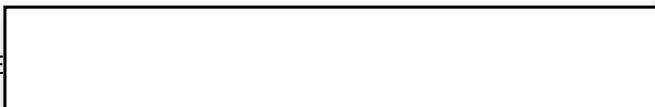

Cut to Deadpool and Cable lying on the ground.

DEADPOOL: They say millennials are the hardest to reach.

CABLE: Oh, no. You're doing amazing.

RUSSELL: Damn, it feels good to be a gangsta! Go home, Wade! You're ruining everything! I'm getting good at this shit.

DE

Deadpool and Cable take shelter behind some playground equipment as Russell sends another fireball at them.

RUSSELL: He dies tonight, Wade. You can't stop me!

Deadpool and Cable notice the headmaster running to cover nearby.

CABLE: He even runs like a fucking pervert.

DEADPOOL: Like an online predator who lost his laptop.

Cable spots his gun laying in rubble nearby.

CABLE: There's one bullet left in that gun.

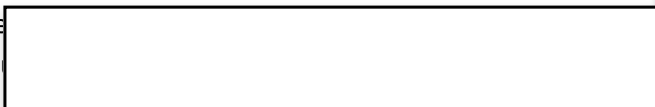

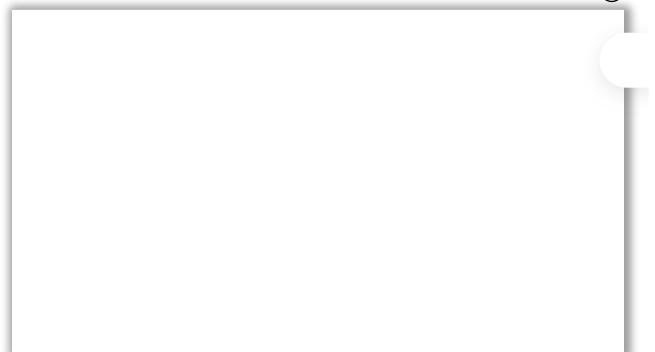

DEADPOOL: Wait, wait, wait! Please, just give me a second! I got this.

He leaves cover with his hands raised.

RUSSELL: Stay back! Go home, Wade!

Deadpool slowly approaches Russell.

DEADPOOL: Let's talk. It doesn't have to go this way! That piece of shit, he deserves to die for what he did to you. He hurt you badly. Makes you wanna hurt others. But if you kill him, he wins. You become everything he says you are.
Yo

RUSSELL: How do you know what I want?

DEADPOOL: Because I've been inside you. That came out wrong. I've been inside your shoes. Which is also off-putting. It's not a great analogy. The point is, there are people. There are people in this fucking world, besides him, who will treat you right. It isn't too late. Don't do it. I never should've left you there.

Deadpool hugs Russell.

DEADPOOL: I never should've left you in that prison.

RUSSELL: I can't trust you. I can't trust anybody!

Russell burns Deadpool. Deadpool falls down in pain. Russell sends him flying over towards Cable. Domino runs over.

CABLE: Wonderful kid.

Colossus, Negasonic, and Yukio run over.

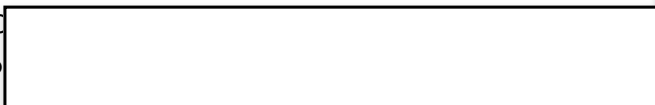

RUSSELL: You can't stop me, Wade!

Deadpool pulls out a power-dampening collar.

DEADPOOL: I got one more idea. It's just a really bad one, even for me.

Deadpool puts on the collar.

DEADPOOL: All right. This is for all the marbles, kid! You're gonna kill someone today...

RUSSELL: Blessed are the wicked...

DEADPOOL: ... then it's gotta be me.

RUSSELL: Who are healed by my hand!

In slow motion, Russell gears up to throw a fireball. Cable mouths, "Fuck this," and runs for his gun. "Tomorrow" by Aileen Quinn begins playing. Cable runs for his gun. Deadpool runs to catch up. Russell prepares his shot. Cable reaches his gun. Russell looks over. Cable fires. Deadpool jumps in the way and takes the bullet. Everyone looks shocked. Deadpool groans and rolls over.

DEADPOOL: Tell me they got that in slow motion.

Deadpool sits up and inspects the wound.

DEADPOOL: Oh, that's not good. No, sir.

Everyone else gathers around. The headmaster begins escaping.

RUSSELL: You sacrificed yourself for me.

DEADPOOL: Yeah. And it was the best thing I ever did. I told you I care about you. You're a good kid, Russell.

Th

DEADPOOL: Hey. The bear. It worked.

Cable looks at the teddy bear.

DEADPOOL: Because of you.

COLOSSUS: No, Wade, because of you.

Colossus moves to remove the collar from Deadpool.

DEADPOOL: Stop, stop, stop! Stop! Just let it happen, okay? I guess my heart was finally in the right place. That riddle is so fucked up.

Deadpool lies down. Russell takes off his mask.

RUSSELL: I'm sorry. I'm so sorry.

DEADPOOL: Don't be. Don't be. I've been trying to make this happen for a while. Please, just don't leave me. I don't wanna die without an audience.

Domino kneels down.

COLOSSUS: We are not going anywhere.

DEADPOOL: Oh, God, I hope the Academy is watching.

DOMINO: Just rest, okay?

DEADPOOL: Papa? Papa, can you hear me? Papa, can you find me in the night?

De
Every one begins to walk away.

DEADPOOL: Before I go... Sorry, I got a bit more in me. Domino. I want you to have my Adventure Time watch.

He hands it to her.

DEADPOOL: Turns out that I'm the lucky one. Thank you.

He turns to Negasonic.

DEADPOOL: Hey, Sabrina, the Teenage Witch. It has been a pleasure. Hi, Yukio.

YUKIO: Hi, Wade!

DEADPOOL: And you... Chrome Bone.

He turns to Colossus.

DEADPOOL: I haven't always been the best friend to you. But you've always been that to me. So thank you. Say "fuck" for me. Just once. Come on, we'll do it together. It's no big deal. Here we go. One, two, three. F... F... F...

COLOSSUS: Fuck.

DEADPOOL: Wow. Enjoy hell, swamp mouth.

He turns to Cable.

DEADPOOL: And you, Cable. You get back to your family. You tell 'em Wade says hi. And promise me. Promise me one thing. That you'll start judging people not by the

VANESSA: No.

WADE: No. But I did have to help a kid.

VANESSA: Yeah. He's got a terrible name.

WADE: It's just awful. I tried to tell him. Is this heaven?

VANESSA: It is now.

WADE: I am so sorry.

He hugs her.

VANESSA: It's okay.

Cut back to the others. Cable tenderly holds the teddy bear. He pulls out his time travel device. Cut back to the apartment.

WADE: I missed you so much.

CABLE: It's my daughter's teddy bear. Her name's Hope.

DEADPOOL: Well...

Cable pats Deadpool on the chest. Deadpool giggles.

DEADPOOL: What are you doing? Somebody swiped right.

All of the events since that moment play back in rapid slow-motion, returning to normal speed when Deadpool leapt in front of Cable's shot.

DEADPOOL: Tell me they got that in slow motion.

RUSSELL: You sacrificed yourself for me.

Deadpool flips the skee ball token.

DEADPOOL: I'm not even gonna look, because you did it for me.

CABLE: Say it again.

DEADPOOL: No need to go full Yentl. Gonna pretend like that never happened. Let's go home, Russell.

Cut to a shot of the whole group leaving together. The headmaster runs up behind them. The group stops and looks at him as he begins yelling at them.

HEADMASTER: All you dirty mutants are gonna rot in hell with the boy! Your souls are beyond redemption!

CABLE: Let's see your soul, perv!

Cable pulls out a knife. Deadpool stops him.
